## ABOUT THE PROGRAM

The Timeless Institute of Leadership and Enterprise (TILE) has a vision “**INSPIRED LEADERS FOR A PROSPEROUS AFRICA.**” Leaders in Africa have made great strides in taking up leadership positions but there is still so much to be done across the spectrum of the various Leadership spheres (Political, Business, Corporate, Development and Public Sector). Leaders in all these spheres are faced with a multiplicity of challenges and barriers in their journey of leadership. There is also much to be learned within their areas and spheres of influence and Mentorship is a desired approach for their development into higher levels of leadership.

The Timeless Institute of Leadership and Enterprise through the Timeless Inspired Leadership and Enterprise Mentorship program has been empowering leaders who want to move to their next level in increasing their Impact, Increasing their Network & Net Worth.

This season of the Covid-19 pandemic has presented leaders with a challenge of not just adapting and adjusting but also of positioning themselves appropriately to create the necessary impact and influence socially and economically across the spectrum. Our TILE Mentorship Program – Class of 2021 will equip Fellows with the necessary tools and competencies to succeed and realign themselves as leaders with their own goals and those of their institutions.

The Program - **TILE MENTORSHIP PROGRAM** is designed for leaders in senior and executive position, both men and women within the Corporate, Public sector, Government, Business and Development sectors. These leaders will have the privilege of undergoing a 8-month flexible training and mentor-ship program designed for busy leaders. They will undergo training and mentorship with Technical experts in the various sectors and spheres of influence. They will also engage with captains of industries as mentors throughout the program. The result is to develop leaders who will add value to their institutions having acquired an entrepreneurial mindset and developed their leadership skills that are relevant for Africa’s future growth and to support their journey of transforming their organizations positively. Each leader will leave the Program with their Legacy Road Map called the TILE LEGACY FLIGHT PLAN.

**Objective:** To Equip Leaders in Leadership to become Transformational Leaders in their institutions and in turn drive social and economic change through value based relationships and action.
